

Camp Cazadero 2019

Come Camping With Us!

Please join us at Camp Cazadero, our overnight camp for adults with disabilities, Friday, May 31 - Sunday, June 2, 2019. Camp Cazadero is located northwest of Santa Rosa in the rolling hills north of the Russian River. The site is on 1,000 acres of open meadow and has groves of redwoods, madrones, firs and oak trees. The site is a beautiful and serene setting ideal for UCP of the North Bay's Overnight Weekend Camp.

Campers will be staying in cabins. Homemade family-style meals are served in the dining hall. The three-day camp provides environmental education, physical exercise, and social opportunities. Every year there is a theme that the activities are planned around and they include group games, nature hikes, a dance, and a campfire Talent Show. This year's theme is Music from different eras!
